

# Find Your Declarations Page

Lemonade Policy

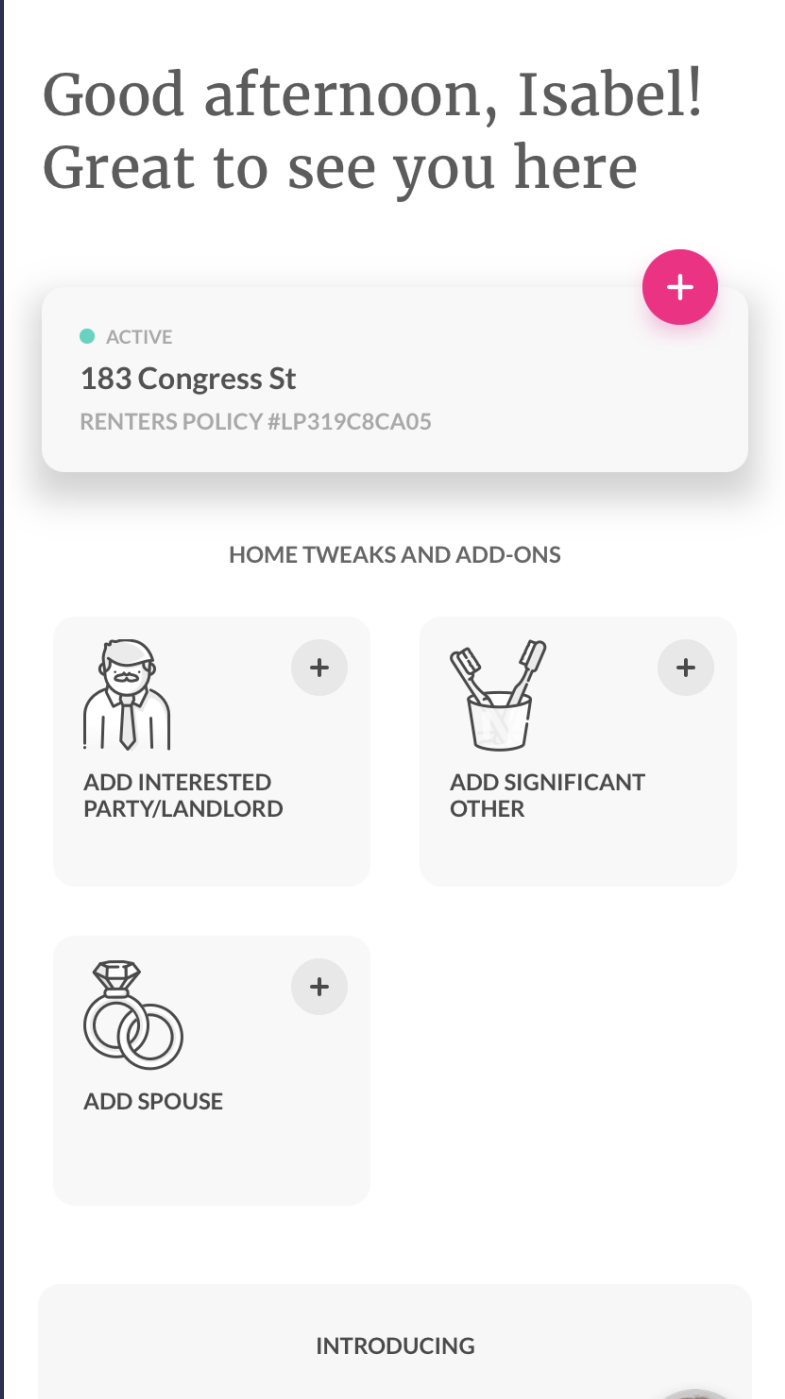

## What's a declaration page look like?

A declarations (or "DEC") page is a key component of an insurance policy that provides the most important information about your personal insurance policy. Marble uses this to pull all your policy details into your wallet.

## How do I find my Lemonade declarations page?

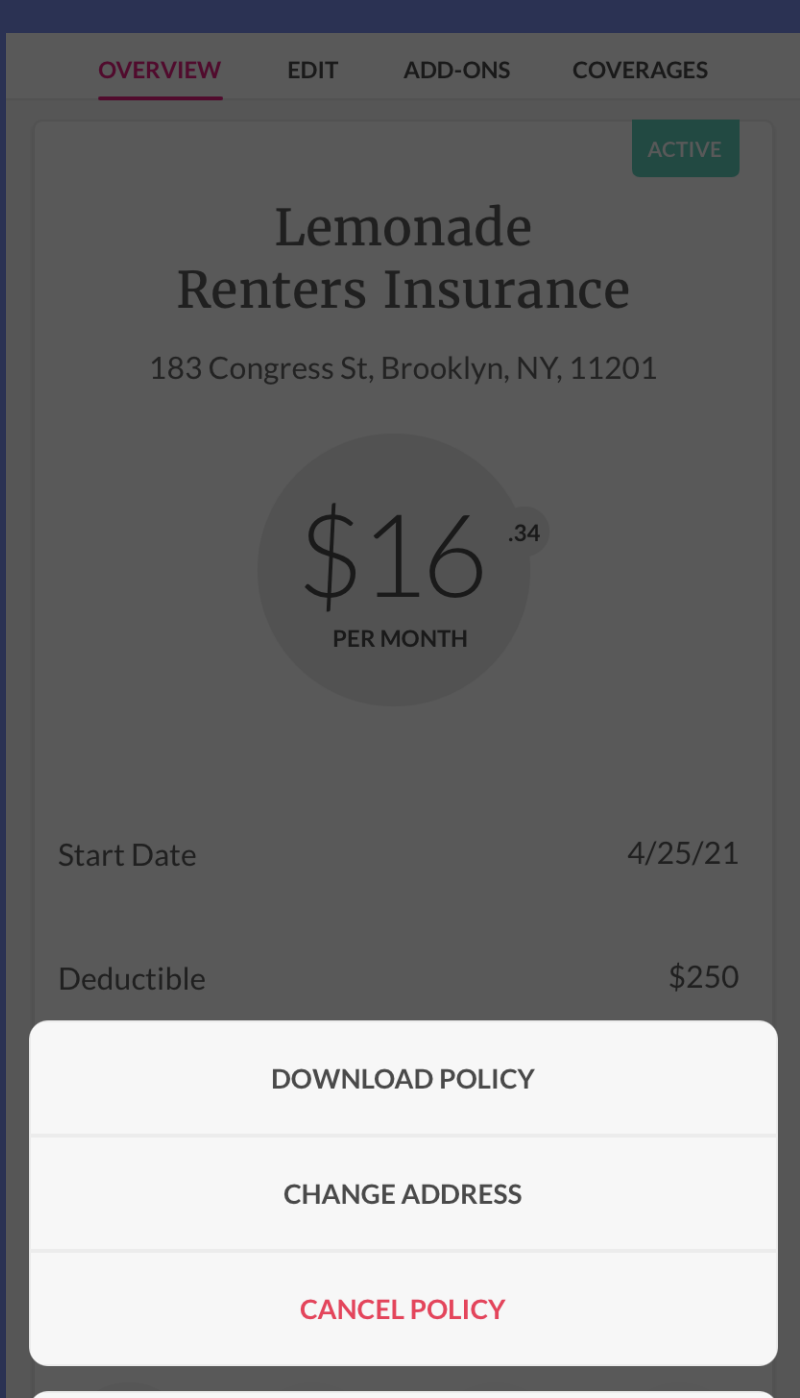

Once you've logged into your Lemonade app, select the policy you want to download.

Select the three dots in the upper right-hand corner.

Select 'Download Policy.'

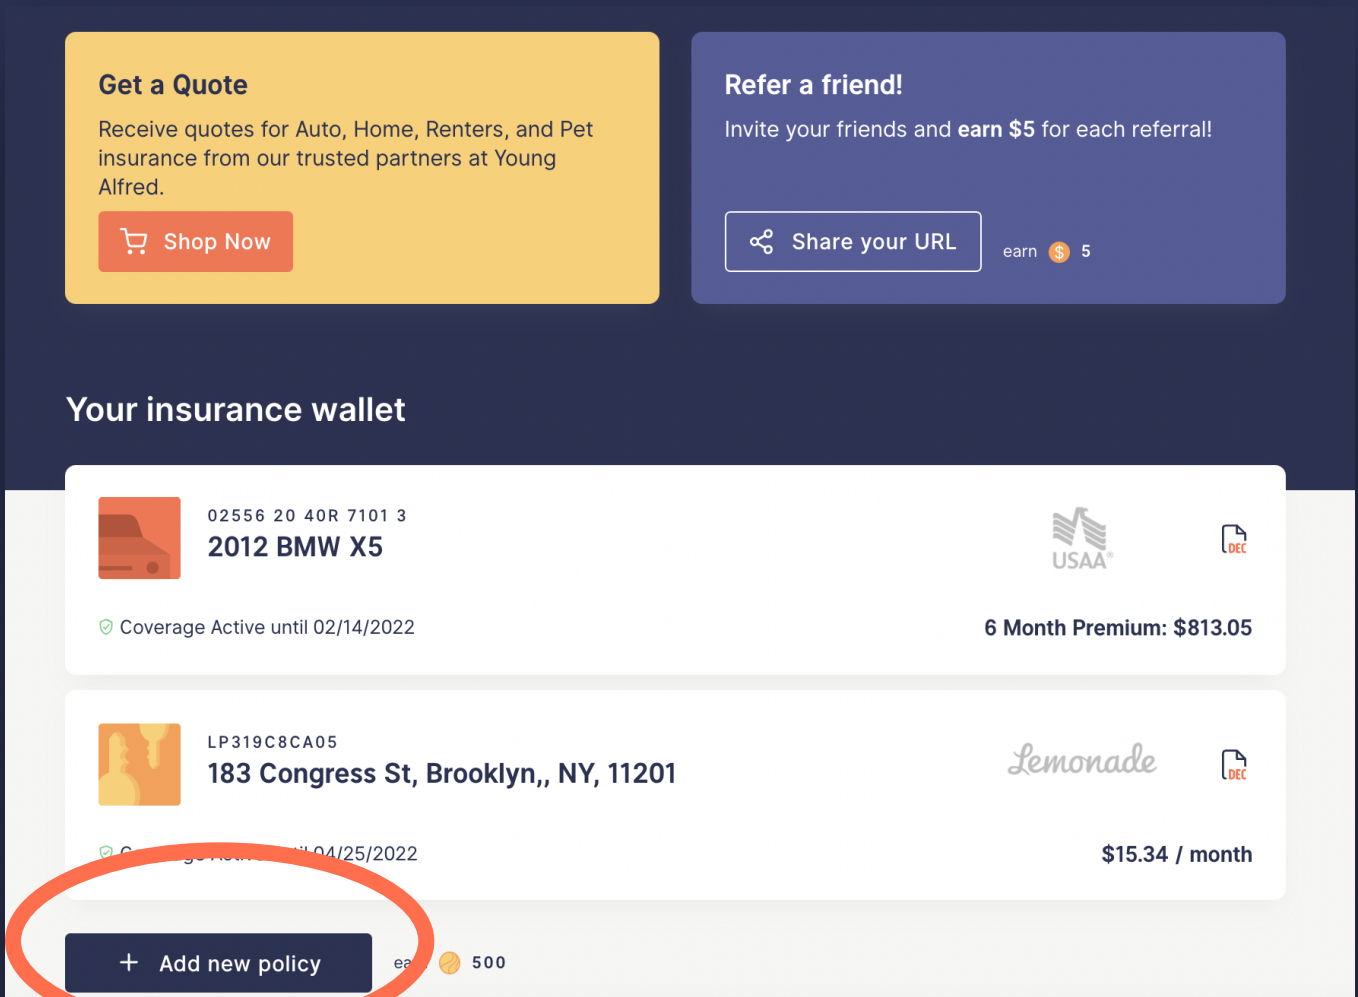

## Downloading the PDF

Click the 'Download' tray button.

## Add your DEC to your Marble wallet

Once you've downloaded the full PDF, you can either directly upload the DEC within your Marble wallet, or you can email it to us at [concierge@marblepay.com](mailto:concierge@marblepay.com).
